

LONG ISLAND SCHOOL NUTRITION DIRECTOR'S ASSOCIATION

September 1, 2026

The Long Island School Nutrition Director's Association Cooperative Bid has 53+ school districts that are currently combining their volumes for bidding purposes on both Commercial and USDA Commodity Processing.

We would like to provide information to our directors and staff about commodity processing, for the 2027-2028 school year. We have scheduled a Product Evaluation Seminar regarding commodity processing at the Regional Industry Seminar hosted by the New York School Nutrition Association. The date will be Tuesday, December 1, 2026 from 11:00 to 2:00 pm at the:

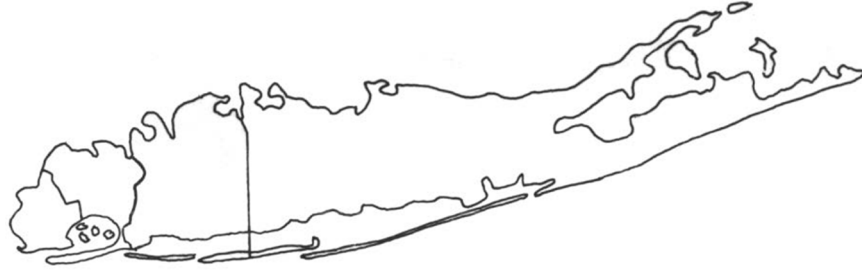

Huntington Hilton Long Island
598 Broad Hollow Road
Melville, NY 11747

The Product Evaluation Seminar will be open to the members of the Long Island School Nutrition Director's Association Cooperative Bid participants from 11:00 – 2:00 pm. The exhibit will be open to those manufacturers processing USDA commodities through the use of school district entitlements. If you are exhibiting, you must be registered with NYSNA.

Manufacturers will be able to present items, which are part of both the direct diversion program as well as commercial purchase.

Please call 631-345-2805 or e-mail Tom.Murphy@longwoodcsd.org with any questions. We look forward to having your items shown at the Product Evaluation Seminar.

Please note that there will not be a separate Direct Diversion bid, those items are incorporated into the commercial bids. Many items in our Bids will have separate designations for purchasing an item both commercially as well as using Direct Diversion.
